Dear Stakeholders,

I hope this message finds you well.

We are writing to inform you that a request for Environmental Clearance for Project Name: Construction of Telecommunication Towers in:

1. Onheleiwa village (APP – **250915006431**)

has been submitted to the Environmental Commissioner. In this respect, the Namibia Radiation Protection Authority has been identified as a major stakeholder in the proposed development. As per the requirements of the Environmental Management Act (Act No. 7 of 2007), D&P Engineers and Environmental Consultants hereby requests your comments, opinion, and consent for the erection of these towers and granting authorization in respect of the construction of these telecommunication towers.

Your input is crucial in helping us align the project with environmental best practices and community expectations. We have attached an official public consultation letter, proof of public consultation newspaper adverts, along with tower designs, Local authority consent letter and the Background information Document. .

Should you require any additional information or clarification regarding the submission, do not hesitate to reach out.

Thank you for your attention and collaboration in this important matter.

Best regards,
Adiel Mudzanapabwe
