**RE: PROPOSED PROSPECTING AND EXPLORATION ON EPL No: 9488 WITHIN CONSERVANCY AREA**

Tsiseb Conservancy herewith gives consent towards EPL 9488 which is situated east of Uis Settlement in the Erongo Region within the conservancy area to further their process with the relevant institution.

However, once your Environmental Clearance Certificate (ECC) is issued and before any proposed prospecting and exploration commence the Project Proponent and the Conservancy Management Committee should enter into MOA with reference on the meeting which was held on the 14 August 2025 as platform of engagement.

Kindly take into due considerations to comply at all times with the provisions of Environmental Management Act of 2007 during the prospecting and exploration phase.

Yours in community conservation,

**MR. JESAJA GOSEB**

**CHAIRPERSON-CONSERVANCY MANAGEMENT COMMITTEE**
