DU TOIT TOWN PLANNING CONSULTANTS, is currently applying on behalf of the owner of the portion, Marton Investments CC (Sole member Andrea Giel) in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), to the Windhoek City Council and the Urban and Regional Planning Board for:

□ Rezoning of Erf 7113, No. 420 Independence Avenue, Windhoek from 'residential' with a density of 1 dwelling per 900m² to 'business' with a bulk of 10
□ Erf 7113, Windhoek is located in Independence Avenue on the corner of Independence and Luther Street, adjacent to the Government Office Park to the east. The erf is 537m² in extent and although it's been used for a second hand car dealership for many years, it is still zone 'residential' with a density of 1 dwelling per 900m².

In order to finalise the Estate of the late owner, the erf needs to be rezoned to 'business' with a bulk of 10 to obtain compliance for the buildings and transfer of the property. The erven to the north of Erf 7113 are all zoned 'business' with a density of 1:10ha.

The client plans to establish a lodge on a part of Portion 138, necessitating its subdivision to create Portion A for the lodge and the remainder of Portion 138. Portion A will be rezoned from 'Agriculture' to 'Tourist Establishment' to accommodate the lodge. Remainder Portion 2 (Sonnleiten) of Farm Ondekaremba No. 78 (and by implication also Portion 138 and Portion 139) currently has direct access from the main road, but the ongoing construction of a Future Trunk Road, forming its northern boundary, will affect access. A new intersection northeast of the current access point is proposed, which the Roads Authority has reviewed without objection. They recommend using the existing access until the new intersection becomes operational.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council with the Urban Planner-Town House, (Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections is 06th February 2025).
