[mangetti@gmail.com](mailto:mangetti@gmail.com)

During my career, I have worked in various positions that included a vast number of elements in different fields. I am confident that this knowledge will be of great value in any position.

I am a team player and hardworking. I am always willing to go the extra mile to accomplish the best results.

My computer skills are excellent, and I am able to work on a number of programs, but I am a fast learner and will be able to learn any new program.
