**REZONING OF ERF 6230, HELIODOR STREET, WINDHOEK EXTENSION 15 FROM 'RESIDENTIAL' WITH A DENSITY OF 1 DWELLING PER 900m<sup>2</sup> TO 'OFFICE' WITH A BULK OF 0.4; CONSENT IN TERMS OF TABLE B OF THE WINDHOEK TOWN PLANNING SCHEME TO USE THE ERF FOR A 'BUSINESS BUILDING' FOR MEDICAL CONSULTING ROOMS**

**DU TOIT TOWN PLANNING CONSULTANTS**, are applying on behalf of the owner of the erf, Jacana Junction Property CC, to the City Council of Windhoek and the Urban and Regional Planning Board for:

- Rezoning of Erf 6230, Heliodor Street, Windhoek Extension 15 from 'Residential' with a density of 1 dwelling per 900m<sup>2</sup> to 'Office' with a bulk of 0.4;
- Consent in Terms of Table B of the Windhoek Town Planning Scheme to use the Erf for a 'business building' for medical consulting rooms;
- Consent in terms of Section 23 (1) of the Windhoek Town Planning Scheme and Council's Policy to allow for an additional floor area on Erf 6230, Windhoek, which shall be devoted solely to residential use in the form of dwelling units; and
- Consent to use Erf in accordance with the new zoning while rezoning is formally being completed, since the erf is located in an approved policy area

The project erf is located within the Eros suburb within Windhoek on the corner of Heliodor Street and Nossob Street, a few hundred meters to the west of Medi-Clinic Private Hospital and adjacent to Eros Family Practice. As a result of its location, the erf also falls within the Eros Medical Precinct and is 1 342m<sup>2</sup> in extent.

Erf 6230, Heliodor Street, Windhoek is currently zoned as "Residential" with a density of 1:900. At present, the residential dwelling and outbuilding that have been constructed on the erf, was converted into a psychologist practice.

The current access to Erf 6230, Windhoek Extension 15 is from Heliodor Street. It would, however, be possible to create access/exit from Nossob Street too, should the need arise.

It is the intention of the client to rezone the property and obtain the applicable consent in order to bring the current land use in line with the Windhoek Zoning Scheme and ultimately increase the erf's potential to use it for a psychological practice. Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections is 23 April 2025). Should you require additional information you are welcome to contact our office.

**REZONING OF PORTION 15 OF PORTION B OF ERF 440, FRANS INDONGO STREET, WINDHOEK FROM 'OFFICE' WITH A BULK OF 0.4 TO 'OFFICE' WITH A BULK OF 1.0; AND HERITAGE CONSENT TO USE THE HERITAGE BUILDING ON PORTION 15/B/440, WINDHOEK FOR OFFICE PURPOSES TO BE EXCLUDED FROM THE BULK**

**DU TOIT TOWN PLANNING CONSULTANTS**, are applying on behalf of the owners Portion 15/B/440 (Namibia Nature Foundation (NNF)) Frans Indongo Street, Windhoek in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), to the Windhoek City Council and the Urban and Regional Planning Board for:

- Rezoning of Portion 15 of Portion B of Erf 440, Frans Indongo Street, Windhoek from 'office' with a bulk of 0.4 to 'office' with a bulk of 1.0
- Heritage consent to use one of the heritage buildings on Portion 15/B/440, Windhoek for office purposes to be excluded from the bulk calculations
- Consent in terms of Section 23(1) of the Windhoek Zoning Scheme and Council's Policy to allow for an additional floor area on Portion 15/B/440, Frans Indongo Street, Windhoek, which shall be solely devoted to residential use in the form of dwelling units; and

Portion 15/B/440, Windhoek is located in Frans Indongo Street, west of the City Centre, just off John Meinert Street and is 2386m<sup>2</sup> in extent. Portion 15/B/440, Frans Indongo Street, Windhoek is currently zoned 'office' with a bulk of 0.4. The offices of the Namibia Nature Foundation have been located there for many years already. The buildings consist of two heritage buildings on the western side along Frans Indongo Street, both built in 1928. The building in the middle of the erf was a later addition, but still many years ago. No new buildings were constructed since the rezoning to 'office' with a bulk of 0.4.

The rezoning of Portion 15/B/440 in Windhoek, seeks to amend the current zoning from 'office' with a bulk of 0.4 to 'office' with a bulk of 1.0. This adjustment will facilitate a more efficient utilization of the property, aligning with contemporary office space requirements. Additionally, our office seeks heritage consent to utilize one of the existing heritage buildings on Portion 15/B/440 for office purposes under the heritage consent, ensuring that the historic value of the structure is preserved while accommodating the proposed office needs. This dual request aims to enhance the functional capacity of the site while respecting and maintaining its architectural significance.

The locality plan of the site lies for inspection on the Town Planning Notice Board in the Customer Care Centre, Municipal Offices, Rev. Michael Scott Street, Windhoek and at the offices of Du Toit Town Planning, 4 Dr. Kwame Nkrumah Avenue, Klein Windhoek.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner-Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections is 23 April 2025). Should you require additional information you are welcome to contact our office.
