**Dear Mr Nghiyolwa**

**RE: REQUEST FOR CONSENT LETTER FOR THE PROPOSED CONSTRUCTION  
AND OPERATION OF A 50MW MERCHANT SOLAR PHOTOVOLTAIC PLANT AT  
TREKKOPJE IN ARANDIS DISTRICT, ERONGO REGION**

The National Radiation Protection Authority (NRPA) hereby acknowledge receipt of your request on the above-cited subject matter.

Kindly be informed that the scope of regulatory functions of the NRPA is restricted to activities that are associated with radiation sources (ionizing and non-ionizing radiation) and have the potential to lead to radiation exposure to people and the environment. The construction and operation of a solar photovoltaic plant is out of the regulatory scope of the NRPA, thus we are not the competent authority on the subject matter, therefore not in any regulatory capacity to provide the requested consent letter.

I trust the above is in order.

**Yours Sincerely,**

**Axel Tibinyane  
Director**
