

Proof of written notice to the owners and occupiers of land adjacent to the site where the activity is or is to be undertaken or to any alternative site

Plot 59 is adjacent to Agra Auction Pan which operate similar agricultural activities (Livestock Auction). The livestock from the Feedlot is also sold at eh auction. We have since written to them for comments and they confirmed not to have any objection.

Letters were sent to

- Ministry of Health and Social Services and Keetmanshoop Hospital
- Agra Limited

The Regional Manager
Agra Limited
Keetmanshoop

20 June 2025

Request for Consent and Input on the Environmental Management Plan for the existing Johan Blaauw Feedlot on Plot 59, Keetmanshoop, Kharas region.

Green Gain Consultants cc has been appointed by Mr. Johan Blaauw, to prepare an Environmental Management Plan (EMP) for the continued operation and management of the existing Feedlot on Plot 59, Keetmanshoop, Kharas region and apply for the Environmental Clearance Certificate from the Ministry of Environment, Forestry and Tourism.

We have established that the feedlot in question is adjacent to your property (Agra Auction Pan, Keetmanshoop).

As part of the EMP development process, we are kindly requesting input and comments regarding the continued operation and management of the feedlot. Attached hereto is the Background Information Document (BID) for your easier reference.

We are looking forward to hearing from you.

Yours faithfully.

PROPOSED LOCLAITY MAP

“Striving for Environmental sustainability”

CC: Senior Medical Officer: Keetmanshoop State Hospital

02 July 2025

Request for Input on the Environmental Management Plan for the existing Johan Blaauw Feedlot on Plot 59, Keetmanshoop, Kharas region.

Green Gain Consultants cc has been appointed by Mr. Johan Blaauw, to prepare an Environmental Management Plan (EMP) for the continued operation and management of the existing Feedlot on Plot 59, Keetmanshoop, Kharas region and apply for the Environmental Clearance Certificate from the Ministry of Environment, Forestry and Tourism.

We have established that the feedlot in question is in proximity of the Keetmanshoop regional hospital.

As part of the EMP development process, we hereby request for input and comments regarding the continued operation and management of the feedlot and its potential impact to the hospital. Attached hereto is the Background Information Document (BID) for your easier reference.

We are looking forward to hearing from you.

Yours faithfully.
