

ANNEXURE 6.3: REGISTERED INTERESTED AND AFFECTED PARTIES

1 INTRODUCTION

This appendix provides a list of all persons, organisations, and organs of state that registered as Interested and Affected Parties (I&APs) in terms of Regulation 22 of the Environmental Impact Assessment Regulations (GN No. 30 of 2012).

2 REGISTERED INTERESTED AND AFFECTED PARTIES

During the public consultation process, one (1) individual formally registered as an Interested and Affected Party by submitting written correspondence.

Table 1: Registered Interested and Affected Parties

Ref	Name	Affiliation (as stated)	Method of Registration	Date
IAP-01	J.D.C. (Diederik) Jankowitz	Maltahöhe Taxpayers Association	Written email submission	23–24 April 2025

No additional registrations were received during the consultation period.

3 ORGANS OF STATE AND SERVICE PROVIDERS CONSULTED

The following organs of state and service providers were formally notified and/or provided input during the initial planning phase (2015-2026) and/or the current reactivation phase of the project:

Table 2: Organs of State and Service providers

Institution	Representative	Date	Nature of Input
NamWater	—	2015 (Initial Phase)	Provided pipeline and servitude information, including DWG files
Telecom Namibia	Mr Feyer (Hardap Region)	August 2015	Advised that services and servitudes must be registered during Phase 1

Institution	Representative	Date	Nature of Input
Hardap Regional Council	Mrs F. Boois (Chief Regional Officer – CRO)	22 January 2015	Project coordinators at the time.
Ministry of Urban and Rural Development (MURD)	Dr. Wilhelmine Shivute (Executive Director)	21 January 2026	Issued formal no-objection / consent letter
Maltahöhe Village Council	Mr. Saghill-lee Kinda (Acting Chief Executive Officer)	22 October 2025 (Resolution adopted)	Council Resolution approving subdivision and township establishment

4 CONCLUSION

The project has undergone institutional consultation since its initial planning phase in 2015. Relevant organs of state were informed and provided input where applicable. Following the project delay, updated municipal and ministerial approvals were obtained, and public participation was re-conducted in accordance with the Environmental Management Act and EIA Regulations.
