Dear Mr. Mufeti

SUBJECT: WRITTEN NOTICE TO ANY OTHER ORGAN OF STATE

As may be evident from the map provided bellow, the site of the proposed mining claim falls well outside a conservancy (whether communal or commercial), hence the considered relevant Organ of State other than the Depart of Parks and Wildlife is the Ministry of Agriculture, Water, Fisheries and Land Reform.

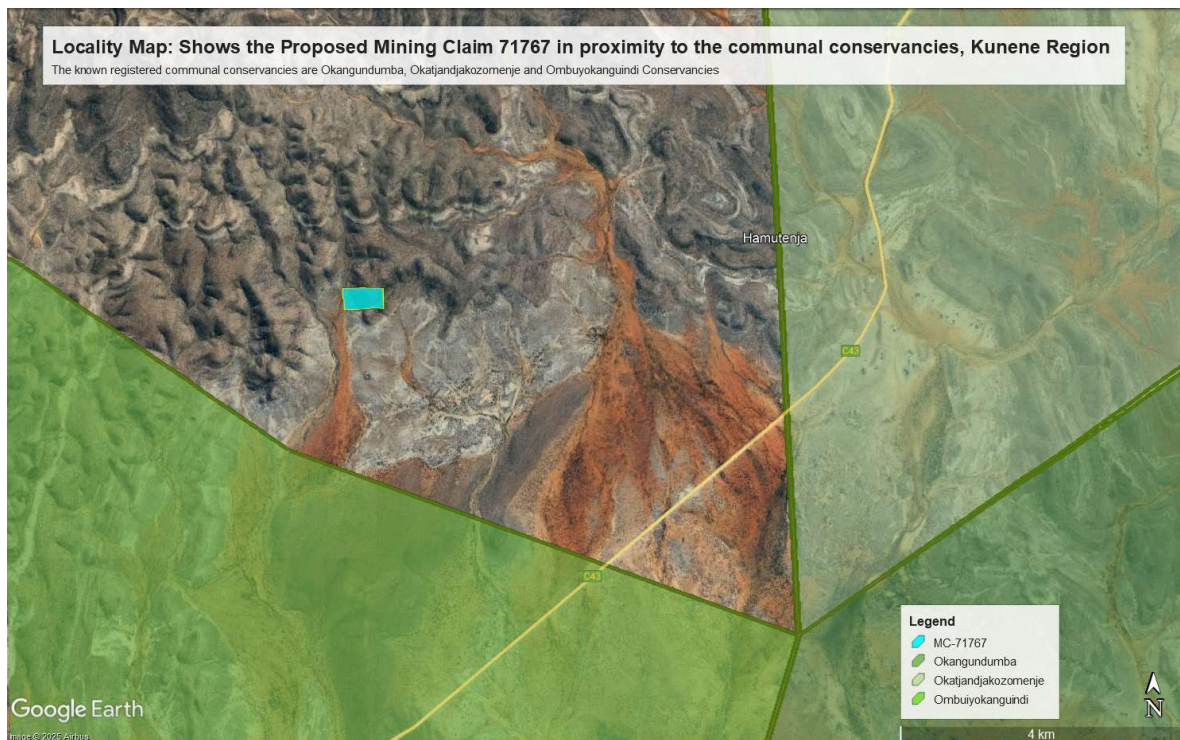

Figure 1: Shows the location of the proposed mining claim in proximity to communal conservancies

Particularly in respect to land ownership / custodianship i.e. Communal Land Act, the Traditional Authorities were considered the competent authority together with Department of Environmental Affairs in respect to issuance of the ECC.

Therefore, Mr. Mufeti, we seek your consideration of our application for the ECC with support of the submitted consents from the present Traditional Authorities i.e. the Vita-Thom and OvaHerero TAs.

Sincerely yours

Lawrence Tjatindi,
Lead Project Manager
