On 13 September 2023, The Shareholders convened by Augustinus Ngombe, Augustinus Kasheeroto, Ngombe Munyemba, Tshilizi Eric Nzimbele and Joseph Abed, which meeting extended the deadline for the payment of the financial contribution to 31 October 2023. Additionally, it was also decided that failure to pay would result in the termination of the shares and the shares handed back to the company, attached hereto as annexure "B". The Defendant failed to pay his financial contribution despite the expiration of the grace period date and the considerable evidence shown to him including various attempts to communicate with him. On 03 November 2023 a letter was sent to the Defendant requesting him to relinquish his shares in terms of Section 2(2)(f) and Section 3(b) of the Agreement and the Resolution passed on the 13 September 2023, attached hereto as annexure "C". On 5 December 2023 a resolution was passed by the majority Shareholders stipulating that the Defendant's shares and directorship were terminated as from 3 November 2023 in terms of the Agreement, however, the Defendant refuses to sign the necessary documents from BIPA and the letter sent to him to relinquish his shares, attached hereto as annexure "D". On 29 May 2024, a demand letter was sent to the Defendant requesting him to relinquish the shares to which he responded that he would only do so if the Plaintiff paid him a sum of N\$ 50 000.00 for his shares, attached hereto as annexure "E" and "F". The Plaintiff exhausted all possibilities to try and reach an amicable solution with the Defendant including the involvement of local police officers which were all futile. The Defendant's actions suggest a deliberate attempt to sabotage the operations of the Plaintiff and to cause disruption. The Defendant right to vested shares was subject to a monetary contribution towards the common cause, of which the Defendant breached and therefore no absolute rights have vested for the Defendant to request financial re-embursement and or payment in exchange for the shares assigned to him. The Defendant's failure to pay his financial contribution constitutes a breach of contract and his failure to sign the necessary documents is a breach of his fiduciary duties towards the Plaintiff. WHEREFORE the Plaintiff prays for an order in the following terms: - The Defendant to relinquish his shares to the company at no cost; - The Defendant to relinquish his directorship; - The Defendant to sign all documents to effect the relinquishing of his shares and directorship after being called upon to do so in writing within seven (7) days; - Failure which the Deputy Sheriff for the District of Windhoek is hereby authorized to sign all such necessary documents on behalf of the Defendant; - Costs of suit. ESIA FOR THE PROPOSED OFFSHORE EXPLORATION WELL DRILLING IN PEL 82, WALVIS BASIN, OFF THE COAST OF SOUTHERN NAMIBIA

Notice is hereby given in terms of the Environmental Management Act (No. 7 of 2007) and Regulation 21 of the Environmental Impact Assessment (EIA) Regulations of 2012 that an application for an Environmental Clearance Certificate (ECC) has been submitted for the proposed offshore exploration well drilling programme within Petroleum Exploration Licence (PEL) 82, located in the Walvis Basin, offshore Namibia.

An Environmental and Social Impact Assessment (ESIA) process is being undertaken for the proposed activity. The application for an ECC has been submitted to the Competent Authority, the Ministry of Industries, Mines and Energy (MIME). The ESIA process is currently in the Scoping Phase, during which interested and/or Affected Parties (I&APs) are invited to participate in public meetings and provide comments.

A public meeting will be held on 12 June 2025 at 17:20 at (Walvis Bay Town Hall). All interested parties are encouraged to attend and share their input.

Name of Proponent:
Chevron Namibia Exploration II Limited (CNEL)

Nature and Location of the Proposed Activity:
CNEL is proposing an offshore exploration well drilling campaign within PEL 82, covering blocks 2112B and 2212A, located between 80 km and 300 km offshore in water depths ranging from 200 m to 2,500 m.

- The planned activities may include:
- Drilling of up to 5 exploration wells and up to 5 appraisal wells
 - Vertical Seismic Profiling (VSP)
 - Well testing
 - Plugging and abandonment of wells

The initial phase will involve the drilling of one exploration well in the Gamsbok Prospect between Q4 2026 and Q1 2027. The potential for additional wells to be drilled will be dependent on the results of the first exploration well and will not occur immediately after the drilling of the initial well.

Environmental Assessment Practitioner:

Environmental Resources Management (ERM) has been appointed by CNEL to conduct the ESIA. ERM is supported by Urban Dynamics Africa (Pty) Ltd, a Namibian firm leading the stakeholder engagement process.
