P. O. Box 261

Opuwo

Kunene region

03 July 2024

I, Chief TJITHENU TJAREMA TIPOSA of ID number 44061210057 of the Vita Royal Traditional Authority hereby confirm that the area within which mining claims 75209 and 75210 are located is within my area of authority. I hereby grant consent to Johannes Morne Du Toit of ID number: 75091510478 to undertake exploration, mining and ancillary activities and operations as well as construct accessory works and roads within the 2 (two) mining claims of the the Claim Holder, being the area of land outlined in red with reference numbers MC-75209 and MC-75210 (the "Mining Claims") situated within the Omuangete and Ohamaremba Areas, Kunene Region, which Mining Claims are depicted on the map presented in Annexure A of this document.

An area of land up to 36 hectares will be utilized for the mine development containing access roads and clearing of necessary areas. Different components of accessory works such as processing, product stockpile, storage, bagging, loading facilities, offices, security and workshop areas will be developed in the mining claims area.

This letter of consent is presented to GIDEWI KALUMBA ID 86061700040 at this place OMUANGETE on this day 10/07/2024.
