PUBLIC NOTICE AND INVITATION TO SUBMIT COMMENTS:

ENVIRONMENTAL & SOCIAL IMPACT ASSESSMENT (ESIA) STUDY FOR THE PROPOSED CONSTRUCTION AND OPERATION OF WIND RESOURCE ASSESSMENT (WRA) WIND METEOROLOGICAL MASTS AND ASSOCIATED ACTIVITIES IN THE TSAU KHAEAB NATIONAL PARK, KHARAS REGION, NAMIBIA

The public is notified that an Environmental Clearance Certificate (ECC) application will be submitted to the Environmental Commissioner as required under the Environmental Management Act No. 7 of 2007 and its 2012 EIA Regulations. The proposed project (mast installation) is a listed activity under the EIA Regulations that cannot be undertaken without an Environmental Clearance Certificate (ECC), which is issued upon approval of an Environmental and Social Impact Assessment (ESIA) Study, comprising an ESIA Scoping Report and an Environmental and Social Management Plan (ESMP).

Project Proponent: Namibia Power Corporation (Pty) Ltd (NamPower)

Environmental Consultant: Serje Hydrogeo-Environmental Consultants CC (Serje HGE Consultants) in association with SRK Consulting South Africa (Pty) Ltd

Project Nature and Location: The proposed installation and operation of three climbable lattice wind meteorological masts (Met masts) of 120m height and one unmanned Light Detection and Ranging (LiDAR) in the Tsau Khaeab National Park (TKNP). The masts will be used to monitor and assess the wind resource for a proposed NamPower utility-scale Wind Energy Facility (WEF) in the area. (Please note that the WEF will be subject to a separate ESIA process and is therefore not specifically discussed in this ESIA for WRA masts). The proposed wind resource monitoring structures to be installed are PML01 (met mast), PML02 (met mast), PML03 (met mast) & PML04 (LiDAR). The met masts (equipped with both Set Monitoring Equipment (SME) and Wind Resource monitoring equipment), inclusive of the associated anchoring cables, will cover a footprint of 100m x 100m each. The site area planned for the installation of the WRA structures is located in the TKNP, approximately 45km west of Roan Pink Town in the Karas Region.

The site area planned for the installation of the WRA structures is located in the TKNP, about 45km west of Roan Pink Town in the Karas Region at these coordinates: PML01: -27.968915 16.230656, PML02: -27.968735 16.115646, PML03: -27.871933 16.114861, and PML04: -27.824167 15.962222.

The public is therefore invited to register as Interested and Affected Parties (I&APs) and submit comments, concerns (in writing), or receive further information on the ESIA Study. The deadline for registration as I&APs and submission of comments, issues, or concerns is **Monday, 04 August 2025**.

NOTICE OF INTENTION

NOTICE OF INTENTION IN TERMS OF THE URBAN AND REGIONAL PLANNING ACT OF 2018 (JUR 1 OF 2018) RECORDING OF CIP 162, TANA REGION, DISTRICT NO. 1, SWAKOPMUND, FROM "SINGLE RESIDENTIAL" WITH A DENSITY OF 1:6000m² TO "GENERAL RESIDENTIAL" WITH A DENSITY OF 1:6000m² AND TO OPERATE A RESIDENTIAL GUESTHOUSE FROM CIP 162, TANA REGION, DISTRICT NO. 1, SWAKOPMUND.

Please take note that Van Der Westhuizen Town Planning & Properties CC, on behalf of its clients, GABRIEL LUKWANO LTD and ANNA-LEA SWARTZ MONTFORT-DA, intend to apply to the Swakopmund Municipal Council for the rezoning of Erf 162, Tamaraka, Extension No. 1, Swakopmund, from "Single Residential" with a density of 1:6000m² to "General Residential" with a density of 1:6000m².

Erf 162 currently measures approximately 640m² in extent and is located along Oorloof van Nard Street in Tamaraka, Extension No. 1. It is the intention of the owners to rezone the property from Single Residential to General Residential (density of 1:6000m²) and to obtain consent to operate a Residential Guesthouse from Erf 162, Tamaraka, Extension No. 1, Swakopmund.

In terms of the Urban and Regional Planning Act 2018, the applicant is required to apply to both the Swakopmund Municipal Council and the Ministry of Urban and Rural Development for approval of such intentions.

Please further take note that:

- the plan of the erf can be inspected at the Public Notice Board of the Swakopmund Municipality located on the Corner of Rikholts Street & Daniel-Hertz Avenue.
- any person who objects to the proposed rezoning or who wants to comment thereon, may lodge such objections and comments, together with the grounds thereof, in writing to the Municipality of Swakopmund and the applicant within 14 days of the last publication of this notice.

Please be advised that the written objection must be forwarded within the prescribed time as required by the Urban and Regional Planning Act of 2018. Such written objection or comment must therefore be submitted by no later than 17:00 on 6 August 2025.

Dear Stakeholders, find the invitation to the public consultation. [#Lüderitz](#) [#TogetherWeC...](#) See more

BLIC NOTICE: ENVIRONMENTAL IMPACT ASSESSMENT (EIA) AND PUBLIC MEETING

Good Aggregate Quarry Development - Lüderitz District, //Karas Region

Notice is hereby given to the public and interested stakeholders that an **Environmental Impact Assessment (EIA)** process is being undertaken for a proposed aggregate quarry located approximately **km east of Lüderitz**, off the B4 national road on route to Aas.

The project area measures approximately **180 hectares** and will involve the extraction and processing of **inert material** to support regional infrastructure development.

As part of the EIA process and in accordance with the Environmental Management Act (No. 7 of 2012) its Regulations (R26 No. 30 of 2012), a **public meeting** will be held to present project information, potential environmental and social impacts, and provide an opportunity for stakeholders to raise comments or concerns.

BLIC MEETING DETAILS:

Venue: Lüderitz St. Peter's Hall, Naudius

Date: Friday, 18 July 2025

Time: 10:00-12:00

INTERESTED AND AFFECTED PARTIES ARE INVITED TO ATTEND

Details of the Draft Environmental Scoping Report and Project Description will be made available for public viewing and upon request.

For more information or to register as an Interested and Affected Party (I&AP), please contact:

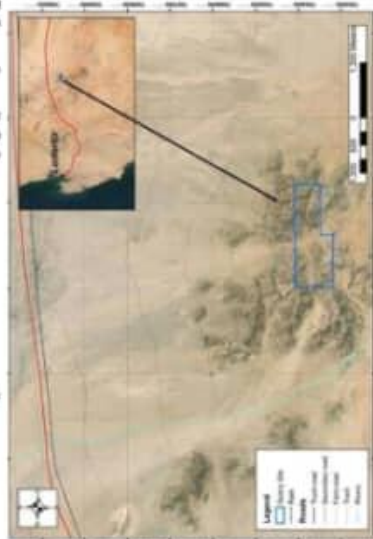

Mr. Name / Environmental Consultant

via Environmental Consultants

Email: k.kaptein@augite.com

Phone: +264 817109027

Public participation is a critical part of the environmental process. Your input will help ensure the project is planned and implemented responsibly and sustainably.
