Re: **Environmental Scoping Assessment and Environmental Management Plan for Agricultural Activities and the Environmental Release of Genetically Modified Maize and Cotton on Farm Batavia, Oshikoto Region**

Dear Sir/Madam,

In terms of the Environmental Management Act (No. 7 of 2007) and the Environmental Impact Assessment Regulations (Government Notice No. 30 of 2012) an Environmental Assessment Report is hereby submitted to the Ministry of Agriculture, Fisheries, Water & Land Reform, in support of an application for an environmental clearance certificate. The submission to the Ministry of Agriculture, Fisheries, Water & Land Reform as the competent authority, is made in terms of Section 6(B) of the above mentioned government notice. In terms of section 10 of the same government notice, the Ministry of Agriculture, Fisheries, Water & Land Reform is required to forward to the Environmental Commissioner, the application for the environmental clearance certificate as well as related documentation and their comments.

The project details are as follows:

Project: Environmental Scoping Assessment and Environmental Management Plan for Agricultural Activities and the Environmental Release of Genetically Modified Maize and Cotton on Farm Batavia, Oshikoto Region

Proponent: H van Eeden

Environmental Assessment Practitioner: Geo Pollution Technologies (Pty) Ltd

Attached to this letter are the following:

- Hard copy of the complete EIA including specialist studies.

Comments may be submitted to the consultant, however should kindly also be forwarded to the Environmental Commissioner. Please contact our offices should you require any additional information as per the contact details below:

Phone: 061 257 411

Fax: 088-62-6368 or

E-Mail: batavia@thenamib.com / gpt@thenamib.com

Sincerely,

Geo Pollution Technologies
