📄 Farm 39, Walvis Bay - BID.pdf
2 MB

Dear Sir / Madam

Green Earth Environmental Consultants are conducting an Environmental Impact Assessment to construct and operate a bulk liquid fuel storage and handling facility on North Port / Stand 5 / Portion (Farm) 39, Walvis Bay, Erongo Region. See attached a Background Information Document which provides information on the proposed project, the possible impacts on the receiving environment and the environmental assessment process to be followed.

Should you have any questions regarding the project, please contact Green Earth Environmental Consultants at the contact details provided on Page 1 of this document. The closing date for any questions, comments, inputs or information is 19 September 2025.

Kind regards

Carien
