Dear Sir/Madam

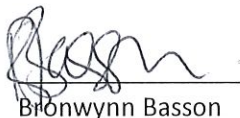

**CONFIRMATION OF NO MEETING**

**Subdivision, Street creation, Rezoning of Portion D from "Undetermined" to "Special" for a Cemetery and registration of a power line servitude on the Remainder of the Farm Rundu Townlands No. 1329**

This letter serves to confirm that, as part of the public consultation process for the Environmental Impact Assessment for the Proposed Subdivision, Street creation, Rezoning of Portion D from "Undetermined" to "Special" for a Cemetery and registration of a power line servitude on the Remainder of the Farm Rundu Townlands No. 1329, Rundu, Kavango East Region, no stakeholder meeting with Interested and Affected Parties (I&APs) and other role players was held.

All identified I&APs were notified via email and afforded the opportunity to submit comments or objections. The requirement for a public meeting only arose after the Public Participation Process (PPP) phase of the project had been completed. Consequently, no meeting took place, and there were no minutes to provide, as no discussions or deliberations occurred.

Yours faithfully

Bronwynn Basson
