

**The Chief Executive Officer
Municipality of Walvis Bay
Private Bag 5017
Walvis Bay**

Dear: Mrs. Victoria Kapenda

15 August 2025

SUBJECT: RENEWAL OF ECC FOR CONTINUED OPERATION FOR A HANDLING AND TEMPORARY STORAGE FACILITY OF HAZARDOUS WASTE ON ERF 3373, ENERGY STREET, WALVIS BAY INDUSTRIAL AREA

Our client: Eco Waste Technology cc was granted an ECC for establishment of a handling and temporary storage facility of Hazardous waste located at Erf 3373, Energy Street, Walvis Bay Industrial Area. The first ECC was issued in 2022-08-18 and expired on 2025-08-18.

In line with the Environmental Management Act, 07 of 2007 and EIA Regulations, the proponent needs to apply for the renewal of the ECC.

As such, we hereby notifying your good office that Green Gain Consultants cc will apply for a new ECC for continued operation of the facility. The initial Consent Letter from your office and previous ECC are hereto attached for easy reference. Also hereto attached is the updated EMP for your perusal.

Do not hesitate to contact the undersigned should you require more information.

Yours faithfully.

Joseph Kondja

CONSENT LETTER: ENVIRONMENTAL IMPACT ASSESSMENT FOR THE PROPOSED HANDLING AND TEMPORARY STORAGE FACILITY FOR GENERAL AND HAZARDOUS WASTE AT ERF 3373, ENERGY STREET, WALVIS BAY

Ref. No. 3373W

Your letter dated 01 March 2022 and subsequent email correspondences, requesting for consent for the proposed operational activities of Eco Waste Technologies cc on Erf 3373 in Walvis Bay has reference.

The Municipality of Walvis Bay take note of the submitted background information document prepared for the proposed operations of handling and temporary storage of general waste and hazardous waste. Consent is hereby granted, based on Erf ownership and zoning, to start with the processes of obtaining approvals, permits, licenses, certificates etc., for handling and temporary storage of general and hazardous waste at Erf 3373, Industrial Area, Walvis Bay.

Among others, the proponent should ensure the following aspects are assessed and mitigation measures are addressed in the environmental management plan:

- any public health, safety and environmental hazard posed by the handling and storage of waste;
- PPE and a safe working environment;
- security access control of the premises;
- correct waste storage and transportation for safe disposal; and
- proper storage and housekeeping practises.

This consent does not in any way hold the Municipality of Walvis Bay accountable for any misleading information or adverse effects that may arise from the project execution activities. Instead, full accountability lies with Eco Waste Technologies cc as the proponent.

Yours faithfully,

David Uushona

Manager
