Dear Sir

SUBJECT: ENVIRONMENTAL CLEARANCE CERTIFICATE FOR CHUVI LODGE

Kwandu Conservancy and the Community Forest has a potential piece of land namely Chuvi under its jurisdiction, the place is ear marked for tourism development. The site was once used as a hunting camp from 2019 to 2022 and was operating successfully.

Therefore, we request the Ministry of Environment Forestry and Tourism to give Environmental clearance certificate for the said piece of land under tourism development. The Conservancy has applied for a lease hold for the mentioned site with the Ministry of Agriculture and Land Reform.

The conservancy has no objection since it has no negative impact on our natural resources and wildlife.

Yours in Conservation.

Mr. Basson Kakuwe
