OFFICE OF THE ENVIRONMENTAL COMMISSIONER

The Managing Director
African Monarch Lodges
P.O. Box 5072
Windhoek, Namibia

Dear Sir or Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED NAMBWA TENTED
CAMP IN BWABWATA NATIONAL PARK, ZAMBEZI REGION**

The Environmental Scoping and Environmental Management Plan (EMP) submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project. From this perspective, I issue this clearance with the following condition: all key stakeholders must be properly consulted and written consent obtained prior to any development activities.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with the proponent and his/ her consultants.

Yours sincerely,
