Curriculum Vitae

Summary

I am an accomplished professional with more than 20 years of experience in leading and advising on sustainability, natural resource management, and regulatory compliance across diverse industries, including fishing, mining, and construction. I have successfully led numerous projects aimed at minimizing environmental impacts, enhancing stakeholder engagement, ensuring regulatory compliance, and fostering sustainable development. My experience includes conducting comprehensive sustainability audits, developing strategic sustainability plans, and working closely with government agencies, local communities, vendors, customers and other stakeholders to address ESG concerns and incorporate their feedback into actionable initiatives.
