**Letter of Recommendation/Confirmation – Mr. Immanuel Ndakondja Katali (I.N.K
Enviro Consultants cc)**

To Whom It May Concern

This letter serves to confirm that Mr. Immanuel Katali Ndakondja (I.N.K Enviro Consultants cc) has conducted the EIA Process for Enersense's Pilot Study for the Proposed Agricultural Activities and the Development of a Solar PV Plant to Generate Electricity for the Production of Green Hydrogen and Green Anhydrous Ammonia, located in the Daures Constituency, Erongo Region, Namibia. The EIA process was successfully completed in 2023.

Mr. Katali displayed a high level of commitment, work ethic and professionalism to the assigned task.

Therefore, Enersense would highly recommend his professional Environmental and Social Consulting services.

Please feel free to contact me should you require any further information.

Kind Regards,

REFERENCE LETTER FOR MR. IMMANUEL KATALI

Dear Sir/Madam,

I am writing to offer a reference for Mr. Immanuel Katali, who successfully conducted the Environmental and Social Impact Assessment (ESIA) Process for the Proposed “/hao” Waveroller Pilot Project for the Generation of Electricity by Utilising Namibia’s Ocean Waves using Waveroller Technology on Ocean Water, and currently conducting the Assessment the Proposed Land-Based Seaweed Aquaculture Farm for Biofuel (Methanol and E-Methanol) Production and Its Associated Infrastructure

Mr. Katali exhibited remarkable dedication, an exemplary work ethic, and a high degree of professionalism throughout the duration of the project. His profound expertise in environmental and social consultancy was manifest in every facet of his work. He skillfully coordinated and managed the ESIA process, thoroughly addressing all requisite components of the study.

Therefore, I am confident that he will continue to surpass expectations and make significant contributions to efforts aimed at environmental sustainability.

Respectfully Yours

Sakaria Nalusha (Mr.)
Cofounder-**Interim CEO**

Ref No: 0225/014

Date: 12 February 2025

TO WHOM IT MAY CONCERN

Dear Sir or Madam,

SUBJECT: REFERENCE LETTER FOR MR. IMMANUEL KATALI

I am writing to offer a reference for Mr. Immanuel Katali, who successfully conducted the Environmental and Social Impact Assessment (ESIA) Process for the **Proposed Development of the Liselo 40 MW Solar PV Plant, situated in Liselo Village, Katima Mulilo, Zambezi Region, Namibia.**

Mr. Katali exhibited remarkable dedication, an exemplary work ethic, and a high degree of professionalism throughout the duration of the project. His profound expertise in environmental and social consultancy was manifest in every facet of his work. He skillfully coordinated and managed the ESIA process, thoroughly addressing all requisite components of the study.

Therefore, I am confident that he will continue to surpass expectations and make significant contributions to efforts aimed at environmental sustainability.

Sincerely,

Katrina Elifas-Davids

REFERENCE LETTER FOR MR NDAKONDJA KATALI

TO WHOM IT MAY CONCERN

This letter serves to confirm that **Mr. Immanuel N. Katali** was the Socio-Economic Specialist for the input into the **Ministry of Environment and Tourism's EIA for the proposed Construction of Channel Crossings in the Nkasa Rupara National Park** in 2018. This envisaged intervention formed part of the Namibia Parks Programme Phase IV and is financed by the Republic of Germany through the KfW Development Bank. **Lund Consulting** are the Infrastructure Consultants and Engineers appointed for the NamParks Project.

Mr. Katali's performances prove that he is fully capable of fulfilling the related work at your institution.

I therefore offer my recommendation of **Mr. Immanuel N. Katali** without reservation. If you have any questions or require further information, please do not hesitate to contact me.

Yours faithfully,

Lund Consulting Engineers CC

Reference/Recommendation Letter

To Whom It May Concern

This letter confirms that Mr. Immanuel N. Katali (I.N.K Enviro Consultants cc) was appointed by Bicon Namibia on behalf of Roads Authority as the Environmental Expert for the construction of DR 4113: Endola to Eembo (16 km) in Ohangwena Region between 2021 - 2022. Mr. Katali compiled the relevant Environmental Reports and conducted periodic Environmental Compliance Auditing over the 16 months construction period.

Mr. Katali successfully executed his duties with great professionalism and work ethic. His vast knowledge of environmental matters was commendable and has immensely contributed to the success of the project.

Therefore, I would highly recommend Mr. Katali and his expertise to any organisation.

Yours Sincerely,

Simon Shikokola

Senior Civils/Road Engineer
