Good Morning Nangula,

Please find attached a table listing the warehouses, their erf numbers and ownership status.

Further attached are the current building and floor plans for the warehouses. The erf numbers are obtained from these plans. Erf 338 is the Erf for the Rennies Warehouse as indicated and confirmed on the attached building plan. This warehouse is located in Rikumbi Kandanga Street.

I hope the above will be sufficient for the issuing of the confirmation letter.

Kind Regards,

Dear Immanuel,

May I kindly request that you list the property and provide the correct erf number next to it, please do it for all properties. Also indicate if they are owned by Manica or being leased. For example, in the information you provided below, I have established

- Erf 338, Rikumbi Kandanga Street for the Rennies Warehouse – there is no such erf in Rikumbi Kandanga road.
- Erf 2576 3rd Street East and Erf 1492 Johannes Nampala Street you switched the street names.

This is rather confusing for me, as I need to confirm zoning and ownership before I provide a confirmation letter.

Kind regards,

Nangula

Dear Nangula,

Please see below:

- Erf 2968 for the Container Depot.
- No 17, Rikumbi Kandanga Street, Rennies Nampont, Old Sati Depot
- Erf 338, Rikumbi Kandanga Street for the Rennies Warehouse

The Rennies Nampont is within the jurisdiction of the Ports Authority (Nampont) which does not have a single Erf number, therefore the head office address is provided.
