RE: PROVISIONAL CONSENT LETTER FOR ENVIROMENTAL IMPACT ASSESSMENT

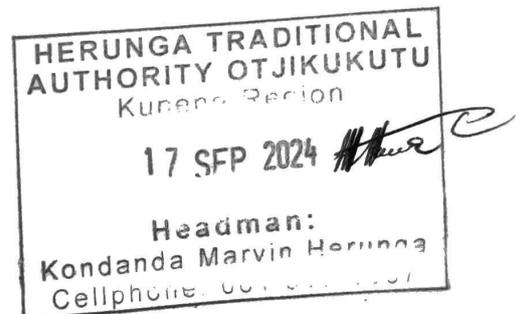

A provisional consent is herewith granted to Filmic Investment (PTY) Ltd to continue with the Environmental assessment studies on Mining Claims 75478, 75479, 75480, 75481, 75482, 75483, 75484, 75485, 75486 and 75487 near Omaso, Okangundumba Conservancy, Kunene Region, and Namibia.

The Conservancy has no objection to the on-going Environmental Impact Assessments. Upon completion of the Environmental impact Assessment Process and granting of the Environmental Clearance Certificate, the project proponent must engage the leadership of the conservancy and of the Traditional Authority to discuss business operational terms, conditions and requirements, discussing and agree on how the broader community and the conservancy Interest will be represented to them.

We are looking forward to hearing from your esteem office.

Yours faithfully

Koruhama Ephraim

BID OMBUJOKANGUINDI CONSERVANCY.pdf; BID TO OKANGUNDUMBA CONSERVANCY.pdf;

Good Morning Mr Tjihange

I am following up on the discussion held on the 5th of September in Otvani village. The Counsellor proposed that the Environmental Consultants meet the villagers of Otvani and Omao at the constituency office on the 17th of September 2024 at 11:00 hrs.

I am therefore kindly asking your good office to formalize this as communication to the Conservancies so that this can be officialized on your calendar.

I have attached a letter to the Ombujokanguindi and Okangundumba conservancies, a Background Information of both Otvani and Omao mining claims.

N.B: Please note that both Ombujokanguindi and Okangundumba Conservancy committees are invited to the meeting and Mr Kangonge (Okangundumba conservancy) indicated that we should send all related documents through your good office since they do not have email services.

Might you need any additional information with this regard, do not hesitate to contact me
