PROJECT: ENVIRONMENTAL IMPACT ASSESSMENT – CONSTRUCTION OF A TELECOMMUNICATIONS TOWER IN NKURENKURU EXT 6- KAVANGO WEST REGION

To: Nkurenkuru VTC
ATT: Ms Mathilde Shipapo
P O Box Nkurenkuru
mshipapo@nkvtc.edu.na

Dear Sir/ Madam

The proponent, Powercom Pty Ltd specializing in ICT infrastructure and equipment provider through the construction of telecommunications towers to provide network coverage and services to clients, is currently spearheading the establishment of a telecommunications Tower as follows:

Site	Geo reference	Region
Nkurenkuru Ext 6	17°38'26.25"S 18°35'57.87"E	Kavango West

It is against the above an environmental Impact Assessment and clearance from the Environmental Commissioner is required through an Environmental Clearance Certificate before the telecommunication tower can be established. In this respect, you have been identified as an immediate occupier of land opposite- adjacent as well an organ of the state close to the proposed development. As per the requirements of the Environmental Management Act (Act No. 7 of 2007), D&P Engineers and Environmental Consultants, hereby requests your comments, opinion, and consent for the erection of the tower.

We have attached the tower designs and coordinates for the proposed site.

We will appreciate your contribution to the study of the above-mentioned project.

Yours faithfully,

Adiel Mudzanapabwe (EAP)

Table 1: Site Breakdown

1	Nkurenkuru Ext 6	Kavango West	17°38'26.25" S 18°35'57.87" E	- Open area already disturbed. - Project site is in Nkurenkuru Extension 6 zoned public open space -Ext 6 is a serviced residential and business township with the public open space surrounded by residential ERFs which are yet to be allocated to buyers. The proposed tower will observe approximately 50 meters from the houses/ main buildings in the proximity. -Minimal exposure to non-ionizing radiation is expected because a minimum height of 30m has been adopted to minimize exposure to non-ionising radiation.	 The siting was chosen on a public open space which was already served as Ext 6 Nkurenkuru. Land clearance will be done prior to construction
