

AFFIDAVIT / DECLARATION

IN THE MATTER OF:

Application for Environmental Clearance in terms of the **Environmental Management Act (No. 7 of 2007)**

PROJECT:

Rehabilitation and Rezoning of the Former Building Rubble Dumpsite
Henties Bay Townlands No. 133, Erongo Region, Namibia

I, the undersigned,

Emmanuel M. Hamadziripi

do hereby state as follows:

1. I am the EAP associated with the proposed project involving the rehabilitation and rezoning of the former building rubble dumpsite located within **Henties Bay Townlands No. 133 in the Erongo Region of Namibia**.
 2. I confirm that, to the best of my knowledge and belief, **no Environmental Clearance Certificate has previously been issued** in terms of **Section 37(1)(a) of the Environmental Management Act (No. 7 of 2007)** for the proposed project described above.
 3. I further confirm that the current Environmental Impact Assessment process and accompanying Environmental Management Plan with regards to the project, are being submitted as **a new application for Environmental Clearance** to the **Ministry of Environment, Forestry and Tourism (MEFT)** in accordance with the Environmental Management Act and the Environmental Impact Assessment Regulations (2012).
 4. This application **does not constitute a renewal, extension, or amendment of any previously issued Environmental Clearance Certificate**, as no such certificate has been issued for the proposed development.
 5. The current submission therefore relates to **a new development proposal involving the rehabilitation and rezoning of the former building rubble dumpsite**, and accordingly requires a **new Environmental Clearance application** in terms of the applicable environmental legislation.
 6. This affidavit is made in good faith to clarify that the present submission represents **a new environmental clearance application for a new development**, and not a renewal of any previous environmental authorisation.
-

DEPONENT

Name: M. E. Hamadziripi
