Hereby confirm the following:

We are aware that Gondwana Collection Namibia (Pty) Ltd has applied for the renewal of the Environmental Clearance Certificate for the continued management and operation of Palmwag Lodge & Campsite, located within the Palmwag Concession Area in the Kunene Region.

Palmwag Lodge & Campsite operates within the Palmwag concession awarded to the Anabeb, Sesfontein and Torra Conservancies by the Ministry of Environment, Forestry and Tourism (MEFT), and includes the lodge (twenty-seven (27) guest rooms), campsite, fuel station, retail activities, tourism operations, and associated support infrastructure.

The renewal application includes alignment with the Environmental Management Plan (EMP), addressing groundwater abstraction, wastewater treatment and reuse, solid waste management, biodiversity protection, fuel storage and spill prevention measures, environmental health and safety, and ongoing conservation management within the Palmwag Concession Area.

We understand that the renewal application incorporates necessary renovations, the establishment of additional Camping2Go sites, and continued operational activities in accordance with the Environmental Management Act, No. 7 of 2007 and the Environmental Impact Assessment Regulations.

We therefore provide our formal consent to the continued operation as described above and to the issuing of the renewed Environmental Clearance Certificate by MEFT.
