Dear Mr. Mufeti

**SUBJECT: WRITEN REPRESENTATION BY LOCAL OR TRADITIONAL AUTHORITY
IN RESPECT TO THE APPLICATION FOR ENVIRONMENTAL CLEARANCE FOR EPL
9882**

We herewith wish to notify your good office that the proposed exclusive prospecting license (EPL 9882) does not overlap with any local or traditional authority's area of jurisdiction.

However, the Regional Council office's CRO was identified as pre-identified I&AP and notified along with others on the proposed activity. With no response received from their office.

Sincerely yours

Lawrence Tjatindi,
Lead Project Manager

NB: the email notification below includes the address (pr.otjzondjuparc@gov.na) of several commercial farmer associations and Union representing the land owners, whose contacts proved difficult to obtain thus limiting direction engagement.
