Dear Andries Mouton

Thank you for registering as an Interested and Affected Party.

I would greatly appreciate if you could kindly provide me with the **name of the farm** or Exploration Prospecting License (EPL) number of the proposed project.

Kind regards,

## Vistolina Augustus

**Subject:** Re: Stakeholders identification for the proposed prospecting and exploration activities on EPL No. 10073 located northeast of Otjiwarongo in the Otjozondjupa region.

Dear Valued Stakeholder,

Just a reminder that the public consultation meeting is still set as follows:

**Date: 4th November 2025 (Tuesday)**

**Time: 14h00-15h00**

**Venue: Khoi-khoi Guesthouse, Otavi**

The EPL covers multiple farms, including: Warlencourt No.99, Oase No.112, Ogden No. 114, Orpa No.127, Osnia No.131, Swinton No.113, Fuller No.130 and Gutweide No.135

We would like to remind landowners that the EPL application is still in the process of obtaining an Environmental Clearance Certificate and we strongly encourage landowners to attend this meetings which provides an open forum to share their concerns, ask questions, and understand the proposed project in detail. Following the public consultation meetings, the Excel Dynamic Solutions (Pty) Ltd consultant teams will require permission to access the farms for the Environmental and Heritage Assessment. This assessment is an important part of the EPL application process, and will provide additional information about the potential impact of the proposed project on the local environment and heritage.

*We are looking forward to seeing you all at the meeting.*

Kind regards,

---

**Subject:** Stakeholders identification for the proposed prospecting and exploration activities on EPL No. 10073 located northeast of Otjiwarongo in the Otjozondjupa region.

Dear Esteemed Interested & Affected Party,

**Quiancheng Mining Investment (Pty) Ltd (The Proponent)** proposes to undertake prospecting and exploration activities on **Exclusive Prospecting License (EPL) No. 10073 located 71 km northeast of Otjiwarongo, Otjozondjupa Region.**

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. The Proponent, therefore, appointed Excel Dynamic Solutions

(Pty) Ltd, an independent Environmental Consultants firm to conduct the required Environmental Scoping Assessment (ESA) process and apply for the ECC.

Furthermore, Sections 21 to 24 of the EIA Regulations require that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested & Affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication.

Please find the attached Background Information Document (BID) the proposed prospecting and exploration activities.

**The EPL covers multiple farms, including: Warlencourt No.99, Oase No.112, Ogden No. 114, Orpa No.127, Osnia No.131, Swinton No.113, Fuller No.130 and Gutweide No.135**

**We would greatly appreciate if the landowners could kindly provide us with their names, farm names, and contact details so that we can register them as Interested and Affected Parties (I&APs).**

**We are currently working to finalize the date for the stakeholders engagement meeting and will provide further details once this information is available.**

Kind regards,
