Subject: Stakeholders identification for the proposed prospecting and exploration activities on EPL No. 10073 located northeast of Otjiwarongo in the Otjozondjupa region.
Attachments: BID_EPL 10073.pdf

Dear Esteemed Interested & Affected Party,

Quiancheng Mining Investment (Pty) Ltd (The Proponent) proposes to undertake prospecting and exploration activities on **Exclusive Prospecting License (EPL) No. 10073 located 71 km northeast of Otjiwarongo, Otjozondjupa Region.**

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. The Proponent, therefore, appointed Excel Dynamic Solutions (Pty) Ltd, an independent Environmental Consultants firm to conduct the required Environmental Scoping Assessment (ESA) process and apply for the ECC.

Furthermore, Sections 21 to 24 of the EIA Regulations require that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested & Affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication.

Please find the attached Background Information Document (BID) the proposed prospecting and exploration activities.

The EPL covers multiple farms, including: Warlencourt No.99, Oase No.112, Ogden No. 114, Orpa No.127, Osnia No.131, Swinton No.113, Fuller No.130 and Gutweide No.135

We would greatly appreciate if the landowners could kindly provide us with their names, farm names, and contact details so that we can register them as Interested and Affected Parties (I&APs).

We are currently working to finalize the date for the stakeholders engagement meeting and will provide further details once this information is available.

Kind regards,

Vistolina Augustus

They used one of the farms (they rotate their meetings), but I think Khoi-Khoi Guesthouse will probably be their choice.

Its indeed unfortunate. Could you please let me know which venue they used for their meeting? This way, we can consider using the same location for our meeting, which may make it more convenient for the farmers to attend.

What a pity this came today. These farmers had their meeting yesterday.

I have forwarded.
