Dear Sir or Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE PROPOSED CROCODILE LEATHER PROCESSING AND TRAINING CENTRE, SITUATED IN KONGOLA, LINYANTI CONSTITUENCY, CAPRIVI REGION, NAMIBIA**

The Environmental Impact Assessment (EIA) and Environmental Management Plan (EMP) submitted is sufficient as it made provisions of the environmental management concerning the proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored from time to time.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable for any misleading information, nor any adverse effects that may arise from this project activity. Instead, full accountability rests with the proponent and his/ her consultants.

This environmental clearance is valid for a period of 3 (three) years, from date of issue unless withdrawn by this office.

Yours sincerely,

Teofilus Nghitila
