Dear Sir/Madam

**CONFIRMATION OF NO MEETING**

**Subdivision & Street Creation over the Remainder of Portion B of the Farm Usakos Sud No. 93, Erongo Region**

This letter serves to confirm that, as part of the public consultation process for the Environmental Impact Assessment for the Proposed Subdivision & Street Creation over the Remainder of Portion B of the Farm Usakos Sud No. 93, Erongo Region, no stakeholder meeting with Interested and Affected Parties (I&APs) and other role players was held. However, the proponent hand-delivered notification letters to surrounding property owners and directly engaged with neighbouring landowners to inform them of the proposed development and address any concerns.

All identified I&APs were notified via email and afforded the opportunity to submit comments or objections.

Yours faithfully

Bronwynn Basson
