Dear Esteemed Stakeholders,

This email serves to inform you that Excel Dynamic Solutions (Pty) Ltd (the consultant) has been appointed by V&V Mining Pty Ltd/Heinrich Van Zyl/Abisai Ishitile/Axel Zepoy Tangeni Ishitile/Ndapewashali Hambata (The proponents) to act on their behalf in obtaining an Environmental Clearance Certificate (ECC) for the proposed mineral exploration activities on 27 Mining Claims (MC) located northwest of Opuwo in the Kunene region, as shown in the land use map in the Background Information Documents Attached.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. Furthermore, Section 21 to 24 of the EIA Regulations requires that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential interested and affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation.

You have therefore been identified as a potential Interested & Affected Party for this proposed activity, hence why you are receiving this communication.

Please find the attached BID that comprises of more information of the proposed project.

Please reach out to our office should there be any clarification / question regarding this proposed project.

Regards,
