Whom It May Concern,

RE: CONSENT LETTER FROM UITKOMS FARM-514 COMMUNITY

I, Chief Katae, together with the community leadership and in consultation with all community members of Uitkoms Farm, hereby confirm that we have agreed to issue this consent letter to Mrs. Selma Naambo Shindi (ID number: 85070210343).

The Exclusive Prospective License (EPL), mineral rights applied on 24 June 2024, and has been issued Preparedness to grant by the Ministry of Industries, Mines and Energy, EPL-10255.

The Uitkoms community hereby grants the applicant consent to undertake exploration activities within the specified area. This includes conducting environmental assessments for clearance purposes, as well as archaeological assessments to ensure compliance with heritage requirements, in relation to the exploration of manganese within the boundaries of the farm.

This consent was formally approved during a community meeting held on 30 March 2026 at the Uitkoms Community Hall. The attendance register for this meeting is attached for reference.

Kind regards,

KATAE.....
