Dear Tsiseb Conservancy Management Committee,

My name is Samuel Shinyemba, an Environmental Practitioner at Environmental Compliance Consultancy (Pty) Ltd (ECC).

ECC is the appointed environmental assessment practitioner (EAP) for the Kokoseb Gold Mine Project (the Project) on mining licence (ML) 274 within exclusive prospecting licence (EPL) 4818, Erongo Region, Namibia. ECC, as the appointed EAP has undertaken the environmental and social impact assessment (ESIA) for the Project.

I am writing to request a focus group meeting with the Tsiseb CMC. The purpose of this meeting is to engage the Committee, present an overview of the ESIA findings (including an opportunity for inputs and comments) and explain the next steps in the ESIA process.

Following my discussion with Mr. Gregory, we have tentatively scheduled the meeting as follows:

Date: Wednesday, 11 March 2026

Venue: Tsiseb Conservancy office, Uis

Time: 10:00

We kindly request your written confirmation and greatly appreciate your time. We look forward to the opportunity to meet and engage with you.

Kind regards,

Samuel Shinyemba

Dear Erongo Regional Councillors,

This email serves to inform you that the draft environmental and social impact assessment (ESIA) report and the draft environmental and social management plan (ESMP) for the proposed Kokoseb Gold Mine Project on ML 274, within EPL 4818, Erongo Region, Namibia, is available for a 14 day review and commentary period, from the 26th of February 2026 to the 12th of March 2026.

The reports are available on our website and can be accessed via the link below:

<https://eccenvironmental.com/download/the-proposed-wia-gold-mine-project-erongo-region-namibia/>

We kindly request that you provide us with your review and commentary on or before the 12th of March 2026, via our email at: [info@eccenvironmental.com](mailto:info@eccenvironmental.com)

All comments and concerns received from the stakeholders and I&APs during the review period will be recorded and addressed in the addendum report that will accompany the final ESIA and final ESMP.

Please do not hesitate to contact us at our office number (+264 81 669 7608) if you require clarification or further information.

On behalf of our team, thank you and kind regards,

Dear Ms. Adelma,

This refers to our telephonic conversation of this morning.

ECC is the appointed environmental assessment practitioner (EAP) for the Kokoseb Gold Mine Project (the Project) on mining licence (ML) 274 within exclusive prospecting licence (EPL) 4818, Erongo Region, Namibia. ECC, as the appointed EAP has undertaken the environmental and social impact assessment (ESIA) for the Project.

I am writing to request a focus group meeting with the Daure Daman Traditional Authority. The purpose of this meeting is to engage the Traditional Authority, present an overview of the ESIA findings (including an opportunity for inputs and comments) and explain the next steps in the ESIA process.

Following our discussion, we have tentatively scheduled the meeting as follows:

Date: Wednesday, 11 March 2026

Venue: Daure Daman Traditional Authority office, Uis

Time: 12:00.

We kindly request your written confirmation and greatly appreciate your time. We look forward to the opportunity to meet and engage with you.

Kind regards,

Samuel Shinyemba
