
ANNEXURE 6.6: PUBLIC MEETING RECORD

1 INTRODUCTION

This annexure addresses the requirement for the inclusion of minutes of any public meetings held as part of the public consultation process for the proposed subdivision, rezoning, consolidation, and closure of Public Open Space on various erven in Outapi.

2 PUBLIC MEETING

No public meeting was held for this project.

The public consultation process was undertaken through:

- Newspaper advertisements;
- Site notices placed at the project locations;
- Notices displayed on the Outapi Town Council notice board;
- Written notification to adjacent landowners and relevant authorities.

3 REQUEST FOR PUBLIC MEETING

No requests were received from Interested and Affected Parties or stakeholders for a public meeting to be convened.

4 CONCLUSION

Given that:

- No stakeholders registered as Interested and Affected Parties; and
- No requests for a public meeting were received,

a public meeting was not required for this project.

The public consultation process undertaken is considered adequate for the nature and scale of the proposed development.
