Dear Esteemed stakeholder.

This email serves to inform you that Excel Dynamic Solutions (Pty) Ltd (the consultant) has been appointed by Uatembua Tjirambi (the proponent) to act on their behalf in obtaining an Environmental Clearance Certificate (ECC) for the proposed mineral exploration activities on Exclusive Prospecting License (EPL) 10582, located North of Okangwati nearby Onyungurura village, Kunene Region.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. Furthermore, Section 21 to 24 of the EIA Regulations requires that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested and affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication. Please find the attached Background Information Document (BID) and the proposed exploration activities.

Please assist our office in circulating the attached BID .

This is a friendly reminder of our upcoming public consultation meetings scheduled for EPL 10582 and MC 75712:
