Dear Sir/Madam

**SUBDIVISION OF THE REMAINDER OF THE FARM GOBABIS TOWNLANDS NO 114 INTO PORTION 180 AND REMAINDER; AND LAYOUT APPROVAL AND TOWNSHIP ESTABLISHMENT ON PORTION 180 OF THE FARM GOBABIS TOWNLANDS NO 114**

The above mentioned refers.

Urban Dynamics Africa has been appointed by Agra Limited to obtain statutory approval for the above mentioned consolidation. Below is a brief description of the client's intention.

Proposed Portion 180 to be subdivided is located on vacant land east of Farmer Street. This portion of land measure approximately 15,2ha in extent. The proposed portion is currently zoned Undetermined. The site shares a common boundary with Nossobville Proper and Extension 1.

With this said, Development Workshop Namibia (DWN) and the Gobabis Municipality entered into an agreement/partnership assisting the council with the provision of erven to ultra-low-income residents via the planning, surveying and registration of new townships, and finally the transfer of erven to the beneficiaries of this project. DWN intends to provide an opportunity for ultra-low-income residents of Gobabis to obtain security of tenure. The proposed development intends to facilitate an adequate supply of residential properties, and have service infrastructure installed. This creates a conducive environment for the residents to live in as compared to unplanned settlements.

Access to the portion of land will be from Farmer Street to an eastern direction.
