Dear Sir

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) FOR THE PROPOSED CONSTRUCTION, OPERATION & DECOMMISSIONING OF A KARTING CIRCUIT AND ASSOCIATED FACILITIES ON PORTION 48 (Portion of Portion B), SWAKOPMUND.

We hereby express our support for the proposed construction, operation and decommissioning of a karting circuit and associated facilities on Portion 48, Swakopmund.

We have carefully reviewed the Scoping Report and Environmental Management Plan and believe that it adequately outlines the expected environmental impact of the proposed project, as well as the corresponding mitigation measures.

Please note that this letter does not hold the Municipality of Swakopmund accountable for any misleading information or unforeseen adverse effects that may arise from this activity. Full accountability lies with the proponent.

Any additional conditions imposed during the building plan approval process. Council reserves the right to conduct random environmental audits to ensure compliance with the submitted Environmental Management Plan (EMP).

Please note that this letter does not serve as a substitute for any Environmental Clearance Certificate (ECC) and does not constitute final development approval.

For any further inquiries or information, please do not hesitate to contact the Environmental Officer: Engineering and Planning Services, Ms Paulina Engelbrecht, at telephone number (064) 410 4438 or email pengebrecht@swkmun.com.na.

A Letter to Our Beloved Dad and Grandfather

Dear Papa,

Our hearts are heavy as we say goodbye, yet filled with gratitude for the life you lived and the love you gave us so freely. You were a great man and a man of great words, faithful, and true. You gave us everything we needed in this world, not only through provision, but through your presence, guidance, and unconditional love.

You were our rock and our pillar of strength. In moments of uncertainty, you stood firm. In times of need, you never failed us. You showed us what it means to live with integrity, honesty, and faith in God. Through your actions, you taught us the value of hard work, tenacity, and devotion to family.

As a husband, father, and grandfather, you loved deeply and led by example. We were truly blessed by God to call you ours. Your faith shaped our lives, and your prayers covered us more than we will ever know. You were not only a man of God in word, but in the way you lived every day.

Though we will miss you beyond measure, we find comfort in knowing that you are now at peace, resting in the presence of the Lord you faithfully served. Your legacy lives on in us in our memories, our values, and the love you planted in our hearts.

We love you Papa, know that you are forever loved and deeply missed.

"I have fought the good fight, I have finished the race, I have kept the faith."
 2 Timothy 4:7

REZONING NOTICE

Notice is hereby given that Afrishine Investment cc, intends to apply to the Karibib Town Council and the Urban and Regional Planning Board on behalf of the registered owners of Erf 471, Karibib for the:

- Rezoning of Erf 471, Karibib from "single residential" with a density of 1:300 to "General Residential" with a density of 1:100m²; and consent to operate a self-catering units
- Consent to commence with the development while the rezoning is in process

The rezoning of Erf 471, Karibib as well as the consent use sought, would increase the development potential of the erf by ensuring the erf is more efficiently utilized and that more functionality of the surrounding neighbourhood is countered.

Take note that a similar notice of the intent to rezone, have been posted on a site, published in the Government Gazette as well as on the Notice Board of the Karibib Town Council. The consultation with neighboring erf owners duty took place too.

Do take note too that any person objecting to the proposed rezoning as set out above may lodge such objection together with the grounds thereof with the Chief Executive Officer, Karibib Town Council, P.O. Box 19, Karibib and/or with the applicant in writing within 14 working days of the publication of this notice. The last date for comments/objections is thus 20 February 2026.

NOTICE

Take notice that HARMONIC TOWN PLANNING CONSULTANTS CC, TOWN, AND REGIONAL PLANNERS, on behalf of the owners of the respective erf, intends to apply to the Municipality of Walvis Bay and the Urban and Regional Planning Board for the:

- Subdivision of Erf No.3785 Narraville Extension 7, Walvis Bay into Portion A and the Remainder;
- Permanent Closure of Portion A (A Portion of Erf No.3785) Narraville Extension 7, Walvis Bay as "Public Open Space" in terms of Section 60(1) of the Local Authority's Act, 1992 (Act 23 of 1992);
- Rezoning of the permanently closed Portion A (A Portion of Erf No.3785) Narraville Extension 7, Walvis Bay from "Public Open Space" to "Utility Services"; and
- Consent to commence with the proposed development while the rezoning is in progress.

Erf No. 3785 Walvis Bay is located in Narraville Extension 7. The Erf measures ±3 737.11 m² in extent and is zoned Public Open Space as per the Walvis Bay Zoning Scheme. The client wishes to subdivide a portion of the erf into Portion A and the Remainder. Portion A will be subdivided into 120m². Furthermore, Portion A will be rezoned from "Public Open Space" to "Utility Services".

The client proposes the construction of a substation on Portion A as a permanent solution to the provision of electricity for dwelling units in the newly developed extension of Narraville. The construction of this substation will also facilitate the electrification of the entire new block of Narraville Extension 19, which presently lacks electricity access.

Further take notice that the plan of the Erf lies for inspection on the town planning notice board at the Municipality of Walvis Bay and at Harmonic Town Planning Offices, 78B Pasteur Street, Windhoek West.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Municipality of Walvis Bay with the Applicant in writing within 14 days of the last publication of this notice (final date for objections is Thursday, 06 March 2026).

PUBLIC NOTICE

Notice is hereby given that Nkhivisa Planning Consultants (Town and Regional Planners) on behalf of the owner of Erf 62, Rehoboth Extension 1, has applied to the Rehoboth Town Council and intends applying to the Urban and Regional Planning Board for the:

- Re-zoning of Erf 62, Rehoboth Extension 1 from "General Residential" with a density of 1350 to "Single Residential" with a density of 1350.

The intention for the owner to rezone the property is to allow for the subdivision of the property into 12 new "Single Residential" units and a "Street".

The locality plans of the Erf for inspection on the town planning notice board of the Rehoboth Town Council, Town Planning Office, Mission Drive Street, Rehoboth and the Applicant, Office no. 3, 44, Jenner Street, Windhoek West.

Any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Rehoboth Town Council and with the applicant (Nkhivisa Planning Consultants) in writing within 14 days of the last publication of this notice.

The last date for any objections is: 4th March 2026.

Applicant: Nkhivisa Planning Consultants
P O Box 45900, Aussenplanitz
Email: planning@nkhivisa.com.na
Cell: 081 4127 359

PUBLIC NOTICE

Notice is hereby given that Nkhivisa Planning Consultants (Town and Regional Planners) on behalf of the owner of Erf 1021, Outaja Extension 2, has applied to the Otjaveru Town Council and intends applying to the Urban and Regional Planning Board for the:

- Re-zoning of Erf 1021, Outaja Extension 2 from "Single Residential" with a density of 1950 to "Business" with a density of 1300.
- Subdivision of Erf 1021, Outaja into Erf 6 and 7.

The intention of the owner to rezone and subsequently subdivide Erf 1021 into 2 Erfs is to allow for the construction of a single residential property on each of the new Erfs to be created.

The locality plans of the Erf for inspection on the town planning notice board of the Otjaveru Town Council, Civic Centre, First Floor, Town Planning Office, Sam Nujoma Road, Otjaveru and the Applicant, Office no. 3, 44, Jenner Street, Windhoek West.

Any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Otjaveru Town Council and with the applicant (Nkhivisa Planning Consultants) in writing within 14 days of the last publication of this notice.

The last date for any objections is: 4th March 2026.

Applicant: Nkhivisa Planning Consultants

Cell: 081 4127 359

PUBLIC NOTICE

Notice is hereby given that Nkhivisa Planning Consultants (Town and Regional Planners) on behalf of the owner of Erf 1883, Esuma Winako Street, Windhoek, has applied to the Windhoek Municipal Council and intends applying to the Urban and Regional Planning Board for the:

- Re-zoning of Erf 1883, Esuma Winako Street, Windhoek from "Residential" with a density of 1950 to "Business" with a bulk of 0.6.

Erf 1883 is located in Esuma Winako Street, and currently measure a 1000 m² in extent. The Erf is currently zoned for "Residential" purposes. The intention of the owner to rezone the Erf is in terms of Table B of the Windhoek Zoning Scheme to allow for the operation of a car rental business on the rezoned property.

Should this application be successful, the number of vehicles for which parking must be provided on-site will be in accordance with the Windhoek Zoning Scheme.

The locality plans of the Erf for inspection on the town planning notice board of the Windhoek Municipality, Customer Care Centre, Main Municipal Offices, Rex Michael Scott Street, Windhoek and the Applicant, Office no. 3, 44, Jenner Street, Windhoek West.

Any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Windhoek Municipality and with the applicant (Nkhivisa Planning Consultants) in writing within 14 days of the last publication of this notice.

The last date for any objections is: 4th March 2026.

Applicant: Nkhivisa Planning Consultants

PUBLIC NOTICE

CALL FOR PUBLIC PARTICIPATION / COMMENTS ENVIRONMENTAL IMPACT ASSESSMENT FOR DEVELOPMENT OF A 200kW SOLAR PLANT ON FARM MAGAB, HARDEP REGION

This notice serves to inform all interested and affected parties that an application for an environmental clearance certificate (ECC) has been placed with the Ministry of Environment, Forestry and Tourism, in terms of the Environmental Management Act (No. 107 of 2017) and the Environmental Regulations (No. 30 of 2012).

Proposed: 200 kW

Location: The location for the proposed solar photovoltaic project is situated along the D2332 gravel road, on Farm Magab approximately 20km South of Hardap, in Karas Region, Hardap Region, within the Karas District in the Namibia Subdivision.

EAP: DSM CONSULTANTS
P.O. Henry Ndaba
Email: info@dsmp.co.na | dsmp.co.na Tel: (064) 8766653

NOTICE

Take notice that HARMONIC TOWN PLANNING CONSULTANTS CC, TOWN AND REGIONAL PLANNERS on behalf of the owner of the respective site intends to apply to the Municipality of Walvis Bay and the Urban and Regional Planning Board for the:

- Subdivision of Erf No. 1276 Harvelle Subdivision 7, Walvis Bay into Erf 1 and the Remainder
- Re-zoning of Erf No. 1276, Harvelle Subdivision 7, Walvis Bay from "Public Open Space" in terms of Section 5(1) of the Local Authority's Act, 1982 (Act 102 of 1982)
- Re-zoning of the generally zoned Erf No. 1276, Harvelle Subdivision 7, Walvis Bay from "Public Open Space" to "Urban Business" and
- Consent to agreement with the proposed development, with the rezoning in progress.

Erf No. 1276 Walvis Bay is located in Harvelle Subdivision 7. The Erf measure of 2321 m² is situated in the "Public Open Space" as per the Walvis Bay Zoning Scheme. The client wishes to subdivide a portion of the Erf into Erf 1 and the Remainder. Erf 1 will be zoned "Urban Business" and the Remainder will be zoned "Public Open Space". Furthermore, Erf 1 will be rezoned from "Public Open Space" to "Urban Business".

The client proposes the construction of a subdivision on Erf 1 as a permanent solution in the process of rezoning for starting with in the nearby development of Harvelle. The construction of this subdivision will also facilitate the subdivision of the entire area of Harvelle Subdivision 7, which primarily includes residential units.

Further take notice that the plan of the Erf for inspection on the town planning notice board of the Municipality of Walvis Bay and the Urban and Regional Planning Board, 100 Puffer Street, Windhoek West.

Further take notice that any person objecting to the proposed use of the land as set out above may lodge such objection together with the grounds thereof, with the Municipality of Walvis Bay in writing within 14 days of the last publication of this notice (last date for objections is Thursday, 05 March 2026).

PUBLIC NOTICE

ENVIRONMENTAL IMPACT ASSESSMENT

Notice is hereby given to all interested and affected parties (I&APs) that Nkhivisa Planning Consultants (Environmental Consultants) intends to apply to the Environmental Commissioner for the Environmental Clearance in terms of the Environmental Management Act (No. 107 of 2017) and Environmental Impact Assessment Regulations (No. 30 of 2012) for the following intended activities:

- Re-zoning of Erf 802, Otjaveru Extension 2 from "Single Residential" with a density of 1950 to "Business" with a bulk of 1.0.

Location: Erf 802, Otjaveru Street, Otjaveru Town, Otjaveru Region.

Proposed: Phoenix Medical Centre

All I&APs are encouraged to register and raise concerns or provide comments and opinions with the consultant. All I&APs will be provided with a Background Information Document (BID) containing all detailed information for the intended activity.

Public Meeting: A public meeting about the proposed development will be held on site (Erf 802, Otjaveru Street, Otjaveru) on Thursday the 20th of February 2026 at 16:00.

Should you wish to register as an I&AP and receive BID, please contact the applicant or contact information provided at the end of the notice.

The due date for submission of comments is 20th February 2026.

Applicant: Nkhivisa Planning Consultants, P O Box 45900, Aussenplanitz
Email: planning@nkhivisa.com.na
Cell: 081 4127 359

PUBLIC NOTICE - ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PUBLIC MEETING INVITATION

Notice is hereby given that Ende Property Developers CC proposes to develop a One-Stop Shop Development on Portion 2 of the Remainder of the Walvis Bay Subdivision No. 122, along the D23 Development - Harvelle Bay Road (20 km south-east of Walvis Bay - Orange Region, Harvelle).

The proposed One-Stop Shop Development includes built parking, street lighting, landscaping, visitor park, convenience shop, service centre and accommodation facilities.

An application for an Environmental Clearance Certificate (ECC) has been submitted in terms of the Environmental Management Act (No. 107 of 2017).

PUBLIC MEETING DETAILS:
On: 04 March 2026 (Harvelle Bay)
@ 09:00 - 12:00 (Harvelle Bay)
@ 14:00 - 17:00 (Walvis Bay)

The Environmental Impact Assessment is being conducted by: **Institute for Impact Studies & Research Design (IISRD)**

Interested and Affected Parties are invited to attend under invited status commencing on 04 March 2026.

NOTICE FOR PUBLIC PARTICIPATION

ENVIRONMENTAL IMPACT ASSESSMENT

THE CONSTRUCTION, OPERATION & DEMONSTRATION OF A KARTING CIRCUIT AND ASSOCIATED FACILITIES ON PORTION 48 (Portion of Portion B), SWAKOPMUND.

SandSea Consulting hereby gives notice to all potential interested and affected parties (I&APs) that an application will be made to the Environmental Commissioner in terms of the Environmental Management Act (No. 107 of 2017) and the Environmental Impact Assessment Regulations (No. 30 of 2012) for the above-mentioned activity.

PROPOSED: Swakop Karters Sports Club

PROJECT LOCATION: Portion 48 (Portion of Portion B), Swakopmund.

REGISTRATION OF I&APs AND SUBMISSION OF COMMENTS: All interested and affected parties are hereby invited to register and submit their comments, concerns or questions as part of the consultation process. All comments and concerns should be submitted to the details below.

Email: sandseaconsulting@gmail.com
Mobile: 085 639 0738 on or before 25 February 2026.

Background Information Document

BACKGROUND INFORMATION DOCUMENT (BID)

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) FOR THE PROPOSED CONSTRUCTION, OPERATION & DECOMMISSIONING OF A KARTING CIRCUIT AND ASSOCIATED FACILITIES ON PORTION 48 (Portion of Portion B), SWAKOPMUND.

1. INTRODUCTION

Organized motorsport and recreational facilities contribute to structured sporting activities, skills development, and youth engagement. Karting requires a designated and controlled environment to ensure safety, manage noise, and minimise environmental disturbance.

The Swakop Karters Sports Club (Proponent) proposes the establishment of a formal karting circuit to accommodate organized karting activities, training, and events within the Swakopmund area. The proposed development seeks to replace informal or ad hoc activities with a purpose-built facility that can be appropriately managed and regulated. An Environmental Impact Assessment is required to evaluate potential environmental and social impacts associated with the proposed activity and to identify mitigation measures to ensure environmentally responsible development.

SandSea Consulting was appointed to undertake the EIA process and to apply for an ECC, in terms of the Environmental Management Act No. 7 of 2007 and its Regulations of 2012.

2. PURPOSE OF THIS DOCUMENT

This background information document provides a brief description of the project and EIA process to be followed and identifies the potential broad environmental impacts, and invites Interested and Affected Parties (I&APs) for comments and input on the proposed project.

3. PROJECT DESCRIPTION

The proposed activity entails the construction and operation of a karting circuit and associated facilities, which may include:

- A karting track and safety barriers;

- Paddock and pit areas;
- Support infrastructure such as parking, spectator areas, and ablution facilities; and
- Access roads and internal circulation areas.

4. PROJECT LOCATION

The proposed karting circuit will be located on Portion 48 (Portion of Portion B), Swakopmund, in Erongo Region, Namibia. The coordinates of the site are 22°35'56.09" S; 14°33'06.57" E and the area cover 9 hectares.

The site is situated outside established residential areas as shown in Figure 1 and was identified based on land availability, accessibility, and compatibility with surrounding land uses.

5. ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS

This BID forms part of the environmental assessment process. A scoping report will be drafted and presented to the Interested and Affected Parties (I&APs) during the consultation period, based on the comments received and the findings of the assessment. The finalized report will be submitted to the Ministry of Environment, Forestry and Tourism (MEFT): Department of Environmental Affairs (DEA) for approval.

The scoping study provides information on the proposed project and the environment in which it is situated. It identifies, in consultation with I&APs/stakeholders, the potential negative as well as positive impacts of the project. It reports on management measures required to mitigate such impacts to an acceptable level.

The Scoping Report will include an assessment and Environmental Management Plan (EMP). The EMP will detail measures to be implemented during the lifecycle of the proposed activities to ensure that all issues and impacts are monitored, managed and mitigated.

The following are the initial broad potential impacts expected from the construction and operation phases of the proposed project:

- Waste management;
- Traffic & access impacts;
- Noise and dust pollution,
- Health & Safety impacts,
- Visual & aesthetic impacts and
- Socio-economic impacts

6. PUBLIC CONSULTATION

This includes anyone that will be directly or indirectly involved, affected and/or interested by the proposed project. This may include but is not limited to adjacent landowners around the proposed project's location, and all relevant authorities. Stakeholders and I&APs are invited to participate in the public participation process that enables them to raise any issues, comments and/or concerns regarding the proposed project.

Registering as an I&AP can be done by:

- Completing the attached registration/comment form and emailing it to the email address below;
- Directly consult or contact the consultant on the contact details below.

Once registered, your comments/concerns will be addressed in the EIA report.

All comments and concerns must be submitted to the email below by 25 February 2026.

Attention: SandSea Consulting Environmental Assessment Practitioner

Subject: OBJECTION TO THE PROPOSED CONSTRUCTION, OPERATION AND DECOMMISSIONING OF A KARTING CIRCUIT AND ASSOCIATED FACILITIES ON PORTION 48 (PORTION OF PORTION B), SWAKOPMUND - ENVIRONMENTAL IMPACT ASSESSMENT

Dear Sir/Madam,

I refer to the Notice for Public Participation regarding the Environmental Impact Assessment (EIA) for the construction, operation, and decommissioning of a karting circuit and associated facilities on Portion 48 (Portion of Portion B), Swakopmund, by the proponent Swakop Karters Sports Club. I am highly concerned that the sign was only erected out of *sight* and away from any two-track roads **3 weeks ago**, which makes it impossible to react before **25 February 2026**.

The proponent does not own the entire area. The sign was erected on the site to be developed.

[See attached SIGN - Taken 02.04.2026]

 20250629_180939.jpg

 20250505_180852.jpg

 20250502_182418.jpg

 20250504_183903.jpg

 20250505_180411.jpg

 20250907_113522.jpg

 20251023_184633.jpg

 20250704_183424.jpg

I hereby (still) register as an Interested and Affected Party and formally object to the proposed development.

We are regular (daily) visitors to the valley consisting of 3 major streams that create a luscious but extremely delicate habitat for various Fauna and Flora species. I have personally seen a big variety of insects, reptiles, birds (& bird nests) (also the endangered Damara Tern), but also bigger desert animals like rabbits, mice, meerkat, even Springbok and jackals, trying to survive in the harsh Namib Desert. They even manage to multiply when it does rain a little bit over this unique valley. **[See attached beautiful photos of various Fauna & Flora]**

My reasons for objection are as follows:

1. Sensitivity of the desert environment: The project site is located in the fragile Namib Desert ecosystem near Swakopmund. Construction and operation of a karting circuit (including tracks, facilities, parking, and increased vehicle traffic) will likely cause significant disturbance to the arid landscape, vegetation, and soil. Vehicle tracks and compaction in desert areas are known to cause long-term visual pollution and hinder natural recovery. **Addressed in EMP**

2. Noise and air pollution: Go-kart engines generate high levels of noise and exhaust emissions. In an open desert setting, this could travel far and disturb wildlife, residents, and the general tranquility of the area, which is a key attraction for tourism in Swakopmund. **Addressed in EMP**

3. Dust and visual impact: Increased activity will generate dust, which is a major issue in the coastal desert environment and can affect air quality, nearby properties, and tourism experiences. The visual intrusion of a developed racing facility in a natural desert setting may degrade the scenic value of the area. **Addressed in EMP**

4. Biodiversity and wildlife concerns: The Namib Desert supports unique and sensitive flora and fauna adapted to extreme conditions. Any development risks habitat fragmentation, displacement of species, and long-term ecological harm. The EIA must thoroughly assess cumulative impacts with other activities in the region. **Addressed in EMP**

5. Tourism and socio-economic considerations: Swakopmund relies heavily on nature-based and eco-tourism. A motorized racing facility may conflict with the pristine desert image that draws visitors, potentially harming the broader local economy more than it benefits it through limited sports tourism. **Addressed in EMP**

6. Alternatives and need: I request that the EIA fully explores alternative sites (e.g., already disturbed or urban-adjacent land) and rigorously justifies why this specific Portion 48 is necessary. **I strongly propose that the Karting Track should be developed more to the north (left) from the entry road: between the Rally Tracks and the Chinese Satellite shuttles. There is even a flat open space (visible from the National road to Henties Bay) on the left side of the road going to the Chinese Satellite Shuttles). The suggested site is vacant and not in proximity to residential development. Deemed appropriate for the activity.**

I request that SandSea Consulting and the Environmental Commissioner give full consideration to these concerns in the scoping and assessment phases. Please ensure that all mitigation measures proposed are practical, enforceable, and independently monitored.

I would like to be kept informed of all future steps in the EIA process, including availability of the draft Scoping Report, Environmental Impact Assessment Report, and Environmental Management Plan. Please add me to the register of I&APS.

I am available for any meetings or further consultation if required. Thank you for providing the opportunity for public participation as required under the Environmental Management Act (No. 7 of 2007) and the Environmental Impact Assessment Regulations.

Yours sincerely,

Annelie Oesterle

Swakopmund Resident from 1997
