

Dear Sir/Madam

20 March 2026

ENVIRONMENTAL CLEARANCE CERTIFICATE (ECC) FOR THE CONTINUED OPERATION OF FUEL SERVICE STATION ON ERF 150, BLOCK B, REHOBOTH, HARDEPAR REGION

Green Gain Consultants cc has been appointed to prepare an Environmental Management Plan (EMP) and apply for the Environmental Clearance Certificate (ECC) for the continued operation of an existing Fuel Service Station located on Erf 150, Block B, Rehoboth.

The property belongs to Late Estate Gideon Bailey and has been operating for sometimes, but it does not have a valid ECC. In terms of Section 9.4 & 9.5 of the Environmental Management Act, 2007 the storage and handling of dangerous goods such as diesel/petrol an ECC is required.

Against this background, GGC hereby request your office to submit comments or input regarding the continued operation of the fuel service station for consideration in the final EMP and ECC authorization.

Thanks for your understanding in this regard

Yours faithfully.

Joseph Kondja Amushila
