

Permanent closure of the proposed Erf A of Erf 2555 (POS), Ondangwa Extension 8 as a “Public Open Space” and subsequent rezoning to “Institutional”.

Minutes for Public meeting:

- There was no public meeting held for this project because it was determined that there was minimal public interest after the initial public participation process and the fact that the subject land is a part of Ondangwa that is reserved for industrial development and there is minimal development in the area.
