**To Whom It May Concern**

Dear Sir /Madam

Namib Consulting Services CC has appointed to conduct and Environmental Impact Assessment for a proposed Petroleum Depot by Munitenge Service Station CC. The proposed depot is located on Portion 113 of Farm Katima Mulilo Townlands No. 1328 located within Katima Mulilo, Zambezi Region. The Depot (i.e. not normal services station) will involve handling of petroleum products (diesel) in bulk and dispensing to bulk consumers

Such a project requires that the neighbours/ people around the area need to informed and that they give their consent. It is against this background that we request your consideration of the proposed project and should you not have an issue with the proposal consent by signing this letter. Should you have concerns, please submit them to us so that they are addressed to your satisfaction.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'Sililo Sitengu', written over a horizontal line.

Sililo Sitengu – Environmental Consultant  
Namib Consulting Services CC
