Dear Mr. Hango,

**RE: APPLICATION FOR IN PRINCIPLE ALLOCATION OF STATE LAND IN DOROB NATIONAL PARK IN RESPECT OF SERVITUDE ACCESS TO 70, 181 ACRES IN HENTIES BAY DISTRICT, ERONGO REGION - PROJECT ALGAE FARMING AND REFINING**

I refer to your letter dated 17 December 2025, on the above captioned subject.

Please note that we are not in a position to grant you in-principle allocation of State land in the Dorob National Park as requested.

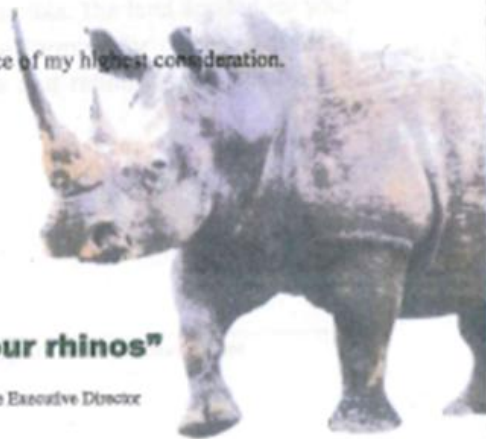

However, we allow you to conduct a study in accordance with the Environmental Management Act, 2007 at your own cost and risk, and submit a report to the Environmental Commissioner for consideration. In the meantime, we will also assess your proposal further, including an assessment on how the site can be awarded for the purpose you requested for, and in accordance with the Nature Conservation Ordinance, 1975 (Ord. 4 of 1975), should the decision be to grant the permission as requested.

I hope the above is in order and please accept the assurance of my highest consideration.

Yours sincerely,

  
Indileni N. Daniel (MP)
