**PART B: SCOPE OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE**

**1. The environmental clearance certificate is for:**

**Activity 9.1** The manufacturing, storage, handling or processing of a hazardous substance defined in the Hazardous Substances Ordinance, 1974.

**Activity 9.2** Any process or activity which requires a permit, licence or other form of authorisation, or the modification of or changes to existing facilities for any process or activity which requires an amendment of an existing permit, licence or authorisation or which requires a new permit, licence or authorisation in terms of a law governing the generation or release of emissions, pollution, effluent or waste.

**Activity 9.4** The storage and handling of dangerous goods, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30 cubic meters at any one location.

## **2.Details of the activity(s) covered by the environmental clearance certificate:**

Note: Please attach plans to show the location and scope of the designated activity(s), and use additional sheets if necessary:

### **Title of Activity:**

The ECC renewal application is for the proposed continued operations of the site. This is done in order to comply with the requirements of the Environmental Management Act (No. 7 of 2007), and its regulations of 2012.

### **Nature of Activity:**

The proponent wishes to continue the operations of the exiting Hanover fuel retail facility in Ongwediva, Oshana Region. Matrix Consulting Services is appointed to undertake the necessary activities to enable the renewal application for an Environmental Clearance with the Environmental Commissioner as prescribed by the Environmental Management Act (No. 7 of 2007) and Environmental Impact Assessment Regulations (Government Notice No. 30 of 2012).

This Environmental Assessment is therefore undertaken to determine the potential environmental and socio-economic impacts associated with the activities of the existing fuel retail development.

### **Location of Activity:**

Erf 5578, cnr Sam Nujoma Road & Kalomo Kutondokwa Street, Ongwediva  
Coordinates (17.77554°S; 15.75343°E)

### **Scale and Scope of Activity:**

The scope of the project is limited to assessing the current environmental conditions; reviewing and updating the exiting Environmental Management Plan; and applying for a renewal of the Environmental Clearance Certificate for the continued operation of the existing fuel retail facility.

**PART C: DECLARATION BY APPLICANT**

I hereby certify that the particulars given above are correct and true to the best of my knowledge and belief. I understand the environmental clearance certificate may be suspended, amended or cancelled if any information given above is false, misleading, wrong or incomplete.
