

The Regional Councilor
Linyati Constituency
Zambezi

Dear Hon. Ivene Vistor Kabunga

18 May 2026

Request for input and comments on the proposed Construction of a Telecommunication Tower near Masida Combined School

PowerCom (Pty) Ltd, hereinafter referred to as the proponent, intends to construct a new telecommunication tower in Masida Village in the Linyati Constituency, Zambezi Region. The proposed new telecommunication tower is part of the company's strategic plan to increase network coverage nationwide. The site for the proposed telecommunication tower covers approximately 80 m² (10m × 8m) in extent and is located next to the Masida Combined School. A supporting letter has been received from the Mafwe Traditional Authority through the Masida Sub-khuta, as per attached letter.

In terms of the Environmental Management Act (Act No.07 of 2007), and Schedule 10 (10.1 (g) the construction of *Communication networks including towers, telecommunication and marine telecommunication lines and cables* cannot be undertaken without any EIA being undertaken.

Green Gain Consultants cc was appointed by PowerCom (Pty) Ltd. as an independent Environmental Assessment Practitioner (EAP) to conduct the required Environmental Impact Assessment (EIA) study and apply for the ECC for the proposed activities.

As part of the Environmental Impact Assessment (EIA) study, we are writing to obtain input and comments from your office regarding the proposed development. The project's Background Information Document (BID) is attached for your perusal.

We are looking forward to hearing from you.

Yours sincerely.

Joseph Kondja Amushila

Environmental Assessment Practitioner
