**OFFICE OF THE ENVIRONMENTAL COMMISSIONER**

The Managing Director  
Road Motor Services (Pty) Limited  
P.O. Box RY 93, Raylton  
Bulawayo, Zimbabwe

Dear Sir or Madam

**SUBJECT: ENVIRONMENTAL CLEARANCE FOR THE ENVIRONMENTAL IMPACT ASSESSMENT FOR THE PROPOSED DEVELOPMENT AND OPERATION OF THE ZIMBABWE DRY PORT SITUATED IN WALVIS BAY, ERONGO REGION**

The Environmental Impact Assessment submitted is sufficient as it made adequate provision of the environmental management during your proposed activities. From this perspective regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.

In view of the fact that your project is located in an environmentally sensitive area, this clearance is issued with the following conditions:

- a. Loading and retention of containers must be located seaward away from the street adjacent households and street;
- b. Noise barriers must be installed along the fence and within the dry port;
- c. Operational hours and days must be amicably agreed with the municipality and the affected households.

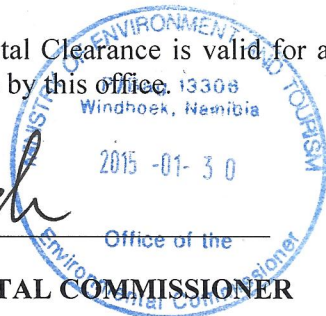

Additionally, you are informed that further legislative and regulatory conditions may still be attached during the operational phase of the project.

On the basis of the above, this letter serves as an environmental clearance for the project to commence. However, this clearance letter does not in anyway hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from this project's activities. Instead, full accountability rests with the Road Motor Services (Pty) Limited and his/ her consultants.

This Environmental Clearance is valid for a period of 3 (three) years from the date of issue unless withdrawn by the by this office.

Yours sincerely,

Teofilus Nghitila  
**ENVIRONMENTAL COMMISSIONER**
